

Sort\_N\_Search::mergesort

```
graph LR; A[Sort_N_Search::mergesort] --> B[Sort_N_Search::merge]
```

A diagram showing a call from the function Sort\_N\_Search::mergesort to the function Sort\_N\_Search::merge. The first box, containing 'Sort\_N\_Search::mergesort', is shaded gray and has a black border. A blue arrow points from the right side of this box to the left side of the second box. The second box, containing 'Sort\_N\_Search::merge', is white and also has a black border.

Sort\_N\_Search::merge
